# CFA YEARBOOK

## ADVERTISING GUIDELINES

**Deadline: August 31, 2017**

When submitting advertisements for publication in the *CFA Yearbook*, please follow these important instructions in order to have the most effective and accurate ad possible. Keep in mind that simple ads are usually more eye catching and easier to read than those with too many photos or words.

### AD LAYOUT

- Type or print all copy you would like to appear in your ad. Be sure copy is legible to avoid errors.
- All ads, except full page ads, must read horizontally across the page.
- Put additional instructions such as preferences for specific type styles (please supply example), sizes, colors, borders, etc. on bottom of layout sheet where shown. We will try our best to provide what you specify, but cannot guarantee an exact match.
- Only CFA titles and awards may be listed. All others are not permitted.
- Only CFA registered cattery names may be used.
- Be sure to include cat's registration number.
- It is your responsibility to see that all information is correct and complete.
- **We will provide professional ad layout and typesetting at no extra charge.**

### PHOTOS

- Photos must be original, good quality and untouched. Inkjet and laser prints and proofs will not be accepted.
- Color photos can be used for black and white ads.
- Do not use a photo of a black cat on red background for a black and white ad. Red shows up as black when printed in black and white.
- Photos depicting cats in an unrestrained outdoor setting are not permitted.
- All photos must be of cat(s) only. Any photo(s) containing people (judges, exhibitors, etc.) are not permitted.
- Do not write directly on photos. Label photos on back with cat's name, registration number, description, breeder and owner.
- Do not attach (paper clip, staple or glue) photos to other work.
- Do not cut photos. We will crop photos per your instructions.

### DIGITAL CAMERA PHOTOS

- Digital photos can be reduced as needed. For best results digital photos should be taken at size needed.
- All digital photos should be taken at 300 dpi and saved as JPEG or TIFF files. TIFF is preferred over JPEG.

### CAMERA READY ADS

- A Camera Ready ad must meet the above criteria for ad layout and photos.
- A Camera Ready ad must be submitted as an Adobe Photoshop, Quark XPress, or PDF file.
- Be sure to convert all photos, artwork and colors to CMYK.

### AD PROOFS

- A PDF proof will be emailed to the advertisers. Please double check your entire ad. The editorial staff will make every attempt to edit and proofread accurately. In the event of an error, we are truly sorry – we cannot be held responsible.

### AD PAYMENT

- Enclose payment (check, money order or American Express, Discover, MasterCard or Visa number with expiration date and security code number).
- Do not include any other work such as transfers of ownership, litter registrations, literature orders, etc. with ad submission.

### ONLINE PAYMENT

- If you would like to pay for your ad online, go to the online catalog at <http://catalog.cfa.org/yearbook-ads.html>. Fill out the advertising form and submit your payment.
