Color is worth 20 points for Persians. For cats in the tabby division, the quality of the pattern is an essential part of the color of the cat and is worth 10 points. The pattern should match the description for the particular tabby pattern and be well defined. The pattern should be viewed while the cat is in a natural standing position. The remaining 10 points are allotted to the correctness of the color, the extent to which it matches the particular tabby color description. **Penalize** cats for indistinguishable pattern or lack of pattern.
