REGISTRATION & RENEWAL POLICY

- The Cat Fanciers' Association will initially register a cattery name for a period of five years. The registration fee is currently \$75.00 (subject to change).
- Upon expiration of the initial five year period and any subsequent renewal period, a breeder may apply for a five year extension of the registration. The renewal fee is \$25.00.
- It is the breeder's (registrant's) responsibility to apply for a renewal of the cattery name registration. CFA will send notice (maximum of two) of the impending expiration, but failure on the part of the registrant to receive these notices will not be the basis for any future claims which may arise due to the reissuance of the cattery name to another party.
- Each five year renewal period starts at the expiration of the prior paid period. Fees for renewal are payable from the expiration of the prior paid period. For example, if a cattery name registration period expires March 31, 2003 and the breeder renews it on December 1, 2003, the effective renewal date is April 1, 2008 and the renewal period will expire March 31, 2008 .
- The use by the registrant of the cattery name either as a prefix or suffix will not be allowed after the expiration date. Upon renewal of a cattery registration, the cattery name may be added to the names of cats which were individually registered after the expiration and prior to the renewal date. The applicable fee(s) for correct registration and/or addition of cattery suffixes will apply.

RULES GOVERNING THE ACCEPTABILITY OF A CATTERY NAME

- Existing cattery names will not be duplicated.
- A cattery name cannot exceed twelve (12) characters, including dashes, hyphens, blanks, etc.
- A given name, e.g. Marie, Frank, John, cannot be used.
- Titles such as Princess, Earl or Madam cannot be used.
- The cattery name cannot be the name of a recognized breed.

- Cattery names, once registered, cannot be changed. Should you wish to use a different cattery name in the future, it will be necessary to reapply for a new/additional cattery name. A breeder may have more than one (1) registered cattery name.
- Cattery names will not be duplicated. A newly registered cattery name must be at least a minimum of two letters different from any existing registered cattery name. Double letters (tt, ee, ss, etc.) count as one letter. The use or non-use of an "s" indicating plural at the end of a word does not constitute a letter difference.

GENERAL NOTES

- The cattery name will be registered in all capital letters.
- Unique or manufactured words are most likely to be approved, as such names are most likely to confirm to the above rules and less likely to conflict with names already registered.
- Second, third or fourth name choices WILL BE USED ONLY if first or preceding choice is not available. Enter ONLY THOSE ADDITIONAL NAME CHOICES YOU ARE READY TO ACCEPT AS YOUR CATTERY NAME if we are not able to register your first choice.
- You are not required to enter second, third or fourth choices, however, failure to do so may cause delay if your only choice is unacceptable due to a conflict with existing cattery names (see #7 above). You may attach a separate list if you wish us to review more than four choices.

USE OF CATTERY NAMES

- Prefix: Cats bred by the owner(s) of a CFA registered cattery name will carry cattery name as a prefix.
- Suffix Addition/Deletion: A new owner of record may add his/her cattery name as a suffix (preceded by "of") when the cat's name will not then exceed the limit of 35 spaces. Any existing suffix will be deleted upon addition of the new owner's cattery name. The applicable fee for addition/deletion of a suffix will apply.

Complete the section below (do not detach at lines below) and return the WHITE and YELLOW COPIES of the form to CFA with the current fee of \$75.00. Keep the PINK copy for your reference.
