August, 2009

Dear CFA Member Clubs & Members and Breed Councils & Members:

It's time for one of the show season highlights - the CFA INTERNATIONAL CAT SHOW, November 21 & 22, 2009 in Atlanta GA (near the airport). As always, one of the most exciting things about this show is the opportunity to meet and compete with cats, breeders and exhibitors from all over the world. Once again, we need the wonderful support, like we have received in the past, from our CFA family of clubs and exhibitors.

The show is a two day show this year (Saturday & Sunday) but the show format remains the same; six specialty rings and finals for top 15 Premiership, top 15 Championship and top 20 Kittens. Breed sponsorships will be accepted from clubs, breed councils or, **new this year, individuals/catteries**. Breed winners in each category (Kitten, Championship and Premiership) will be awarded and Top 5 in Longhair and Shorthair Kittens, Premiership and Championship will be awarded. Then the highest scoring longhair and shorthair Championship cats, Premiership cats and Kittens (a total of 6) will be ranked by a panel of three judges. The judges' rankings will be compiled to determine the **2009 CFA International Cat Show Best-in-Show**.

CFA member clubs & breed councils have donated generously in past years and your help and generosity is needed again to ensure a successful show this year. The CFA International Cat Show has been able to donate to the Winn Feline Foundation for many years, which is in part due to the club support we receive each year. Credit and recognition will be given to sponsors in the catalog and on the rosettes and names will be prominently displayed in the show hall. We'd sincerely appreciate your taking time to talk with your club and/or breed council members about how you can help make this year's CFA International Cat Show a success; sponsor rosettes, a judge's ring or donate to the general fund. Please complete the enclosed form indicating your donation and mail with the applicable payment to me as soon as possible, but please no later than **Monday, September 28, 2009**. Credit cards can be used for payment. To ensure you are able to sponsor the area selected, be sure to complete the form and remit with your donation early as categories fill up fast.

Once again, a reminder breed sponsorships are being offered to individuals/catteries this year.

Thank you, in advance, for your continued support of CFA and our annual CFA International Cat Show.
